

*"helping school communities
realise environmental goals"*

Sustainability in schools brings great rewards

Schools participating in So-Eco programs have benefitted from over **\$350,000** in savings and enhanced community engagement.

Programs undertaken by these schools have also made a positive contribution to the environment and student leadership.

To find out more about how So-Eco programs can bring great rewards for your school, contact lona.parry@so-eco.com.au or call 0401 186 300.

775 tonnes of greenhouse gases reduced
