

LWT LEARNING WITH TECHNOLOGIES

Learning with Technologies (LWT) is one of the largest education IT hardware providers in Australia and works closely with Lenovo, HP, Microsoft, Acer and many other major hardware vendors.

We provide complete technology solutions for schools and their students requiring educational devices, hardware, STEM products and BYOD. LWT support educational leaders to develop strategies and solutions to manage the use of technology devices in educational environments.

To ensure great service our technicians can provide onsite support for Lenovo, HP and Acer and a range of pre delivery configuration services from SOE imaging, chrome management enrollment, asset tagging and student labelling to make your life easier.

FLEXIBLE BYOD SOLUTIONS

Learning with Technologies (LWT) has been assisting schools with Managed BYOD and Parent Funding for several years.

We've shipped over 78,000 devices to parents

We have a wide range of offerings to assist schools to implement a successful program.

We delivered 99.99% of orders placed by 20th January 2023 before school started

We have local warehousing and configuration services and hold more education stock than any other supplier.

Our average shipping time including imaging of devices last year was 3 days
